**Billblast Pro** Yall it's been crazy! Let me explain. Since, I joined GTS it's been crazy for me! The last two weeks I sold about 25 mixing services which had me tied up trying to get my customers back their work in a timely fashion. It got so crazy that I had to call out of my 9-5 to get some of this work done! Which I really wasn't on the hangouts but I say all that to say this. If anybody don't believe this stuff works, they are idiots! Salute to all of you !

**Chaz KC Wilder** Well! Yesterday was the 90th day for me! I'm about 20-30 beat sales richer, 2 consultations richer, 8 beat mixes richer, and tomorrow when I release this beat EP, I will be "- -" richer! I have been online for 2 1/2 years before the GT\$ Movement and made only 1 random beat sale on youtube...that was so sad haha. This is only the start for me and it could be for you guys! I'm only just starting to get this marketing stuff. Watch when I start MASTERING it haha. Now I'm not done making videos because they are tooooo effective but WOOT! I Completed then 90 Days! (Now Time To Start A New 90 Day Commitment!)
